**ATTENTION: FEDERAL CARBON TAX REMOVED**

SaskPower will no longer charge the Federal Carbon Tax for power consumed on or after April 1, 2025. If you are still seeing a carbon tax charge on your bill, this is for power used prior to that date and is still owing. Payment amounts for customers on equalized payment plans (EPP) will be automatically decreased. See [saskpower.com/FederalCarbonTax](http://saskpower.com/FederalCarbonTax) for more information.

Your bill is now calculated based on your actual power use, sent from your smart meter.
