Welcome to the 2025 edition of the South Sask Annual Bull Sale, Monday, March 10 at the Johnstone Auction Mart, Moose Jaw, Saskatchewan. This rugged offering of Simmental, Angus and Sim/Angus bulls is presented by Curtis Simmentals, Edwards Angus and new to 2025, Andrew Cattle Company.

The founders of this event, Curtis Simmentals, offer a powerful lineup of sire prospects featured by Walk the Line ... nineteen reds and three blacks. You will be impressed by the strength and consistency of mass and muscle shape, disposition, lots of testicle and hair. Backed by the old master, Kill Switch, sons of Rancher, Red Whiskey and the fullbloods by Bordeaux..., breeders, farmers and ranchers can select value-added seedstock from the strong Curtis program. For those looking for heifer bulls, do not overlook the black percentage sons sired by Hi Low Bravo.

New Simmental consignors, Andrew Cattle Company, offer a unique lineup of genetic predictability as a result of embryo transfer. The donor Jetstream Elegant N Classy 55E, is the donor dam of eight exciting sons and donor, Miss R Plus 8380F, is the mother of two. Uniformity, consistency and fertility all wrapped together. In addition to style with, performance and hair, these youngsters will add high maternal values in your replacement pastures.

Each year, Laird adds the cream of his calf crop with his Angus consignment to this event. Using leading sires, the Edwards' give you an opportunity of purchasing some of the finest genetics in the Angus breed. In addition to diverse genetics, you can take advantage of important Angus factor with calving ease, and high maternal values yet not giving up any performance.

Feel free to stop by any of these wonderful operations and preview their bulls and while there, checkout the cow herd and the mothers. Do not hesitate to give the boys a call to discuss the bulls and those that will fill your sire needs.

If we, at T Bar C may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

# CURTIS SIMMENTALS

**THE CURTIS FAMILY**  
Box 296, Bethune, SK S0G 0H0  
Landon: 306-638-7793  
Barry: 306-638-7748  
landoncurtis@hotmail.com

On behalf of Curtis Simmentals, we would like to welcome everyone to the 2025 edition of the South Sask sale. We would like to start off by thanking everyone who attended last year's sale, from our repeat customers, new customers, bidders, buyers, as well as everyone who has shown interest in our program over the years. A big thank you goes out to the crew at T Bar C & DLMS, for their services, and Johnstone Auction Mart. Lastly, thanks to our crew at home and everyone who has helped out through the year, we appreciate the continued support in helping make this day possible. This year we have a really strong group of bulls from front to back to fulfill all needs of producers. Solid Reds, Red Baldies, Blacks, Black Baldies, SimAngus, and Full Blood bulls. The bulls are full of mass, meat, soundness, testicles, hair, and docility, backed by our hard-working, functional females from the top of our herd. The bulls were raised on tame hay South of the farm until bulls were pulled from breeding, and then separated and moved to the valley, where they spent the summer months and into the fall on native prairie, walking the hills until weaned. The bulls are up on creep late August until weaning in October. Once weaned, the bulls are put on our best quality of hay, and 16% bull ration pellet, where we get them up to 12 lbs a day and maintain them throughout the winter months. This year, through AI, we were able to source top genetics for our herd. This will be our biggest group of Mader Walk The Line sons, a few Kill Switch sons, Red whiskey, Bordeaux, BJL 81J and Hi Low Bravo on the half bloods. We are very pleased and feel this is one of the strongest sets of red bulls we have offered today, as well as the blacks and halfbloods. If you have any questions or concerns on the offering, feel free to give Barry or myself, Landon, a call. We look forward to seeing you all sale day.

# EDWARDS ANGUS

**LAIRD EDWARDS**  
Box 300, Craik, SK S0G 0V0  
306-567-7456 306-734-2624  
lredwards@sasktel.net

Welcome to the 2025 edition of the South Sask Simmental and Angus bull sale. I would like to thank you for your interest in our program and taking the time to go through the catalogue. I am proud of the bulls I have put together for this year's sale. I think they have a lot to offer, everything from power and performance bulls, to maternal traits, to a wide variety of calving ease bulls. They have been fed a high oat and dry hay ration to promote growth and longevity. Feel free to come and have a look at the bulls anytime before the sale. If you have any questions regarding the bulls don't hesitate to give me a call. I look forward to discussing them with you to help your decision making easier for you. Hope to see you at the sale.

# ANDREW CATTLE COMPANY

**JEREMY ANDREW**

Box 33, RR 1, Regina, SK S4P 2Z1  
306-536-0954  
jeremy@andrewcattleco.ca

We are thrilled to introduce our first set of purebred bulls. Our inaugural year in the purebred business has been an incredible journey, filled with new experiences and connections with wonderful people in the industry. We extend our sincere gratitude to those who have warmly welcomed us into the purebred community and to our invaluable mentors. Special thanks to the Curtis family for including us in the South Sask Simmental sale, and to the T Bar C crew for facilitating this connection and providing guidance throughout our first bull sale process.

## **Our Journey**

When news of major dispersals broke in 2022, I immediately contacted Ryan Hurlburt, intending to acquire top-quality cows to enhance our commercial herd. This initiative evolved into the purchase of three exceptional donor cows, which became the foundation for our purebred operation.

## **Building the Team**

Recognizing the importance of having the right people, we sought someone detail-oriented with a passion for cattle to ensure the success of our purebred herd. We were fortunate to welcome Jennifer Garbutt to our team in December 2023. Jen has excelled in managing the herd, investing countless hours in preparing these bulls. Her dedication is particularly evident in the excellent temperament of our bulls.

## **Our Commitment**

We are dedicated to producing high-quality black Simmentals by investing in some of the country's top genetics. We believe that the consistency and quality of our animals speak for themselves when you walk through our pens. Whether you're seeking a performance bull for your cows or a calving ease option for your heifers, we have suitable options.

**We look forward to meeting you and discussing how our bulls can meet your specific needs.**

# WIN A **\$2000** SALE CREDIT

Purchase a bull from any current Saskatchewan Simmental Association Member, and when the papers are transferred, your name is entered to win a \$2000 sale credit! The draw will be made at the SSA's annual general meeting in July, and the lucky winner will have one year to use the credit at any public auction or private sale on bulls or females purchased from any current SSA member.

A real stand out in the pen. The combination of WTL x Kill Switch is something. The amount of volume and rib shape these bulls have is remarkable. Add their length of body, appeal, soundness, bone structure, wide hip all to make them some good made young herd bulls. 76M is solid red, sound structured, big nutted, long bodied, hairy, and an all-around good bull. The best part about 76M is his dam. 57E is a real eye appealing, feminine made red baldy Kill Switch female. Sound in her nature, beautiful uddered, long bodied, big middle and produces. Have several daughters off 57E in the herd working now that are following in her footsteps. Make sure to check this guy out sale day.

**Homo Polled.**

A bigger framed real hairy made Walk the Line son. 35M is long bodied, deep sided, well muscled, sound, and a bull that will add pounds to his calf crop. He's big footed, wide topped and comes from a good producing top end cow at our place. His dam is a solid black hair big, middled Kill Switch daughter that has put many sons through the sale now. 43F is big middled, broody made yet feminine and has an awesome udder.

**Homo Polled.**

Another real solid-made Walk the Line son. Big ribbed, hairy, sound big footed, wide topped, bull here. 52M had that added length of body, style, presence and catches your eye in the pen. His dam is a very good producing solid black Kill Switch daughter that did her job on this guy. We can't say enough about the Kill Switch daughters and the bulls they have raised us for you our customers over the years. Big middled, sound, awesome udders cows that milk like crazy. Be sure to check this guy out sale day.

106M is just like his fellow brothers just in a darker red package. Smooth made sound, big ribbed, wide topped and big hiped. These WTL X Kill Switch brothers are like peas in a pod. Lot of eye appeal mass, meat, with added length of body. 9F is a big middled broody female that did an awesome job on this guy. She herself has had several sons sell through this very ring as well. She comes in a solid black hide with that beautiful Kill Switch female udder and just produces.

**Hetero Polled/Scurred, Non-Dilutor.**

A bigger framed deep ribbed Bordeaux son here. 38M will add some stretch to his offspring that will crush down the scale come weaning. He's wide topped sound footed, good testicle development with growth.

**SIRE** Rugged R Bordeaux 0029H

**Hetero Polled/Scurred, Non-Dilutor.**

A real good moderate framed low birth weight full blood bull here. 79M came small and grew off a good productive first calver. 79M is wide topped, deep sided long bodied and sound.

**SIRE** Sibelle POL Drakkar 16J

**Homo Polled, Hetero Black.**

A real stand out in the pen and one we have been watching since a very young age. He compliments the other Walk the Line X Kill Switch sons but this time in a black package The power and mass in these sons is incredible. A real hairy heavy muscled bull. He's wide topped, might be the biggest hipped bull in the pen, sound in his nature, deep ribbed and will catch your eye. The best thing about this bull is his dam 65F. She is a moderate framed tanky cow with a picture-perfect udder. We have several females off her milking in the herd and they are following in her footsteps. If you are looking for one to add pounds to your calf crop and maintain ideal and functional females to retain in the herd 36M is your guy.

**Homo Polled, Hetero Black.**

A good moderate framed hairy, deep ribbed bull here. Hes wide topped, big butted, and sound. His dam is a good solid black Kill Switch female with loads of milk while still maintaining a beautiful udder.

**35**

**Homo Polled, Hetero Black.**

A bit bigger framed solid black hairy bull. He's wide topped, big middled, sound, big quartered with good testicle development. His dam has been a real good producing cow for use putting many lead off sons through this very ring. 20C is moderate broody sound and has a perfect udder

**Hetero Polled, Hetero Black.**

A real long spined black baldy bull. Big hiped, deep ribbed, sound and catches your eye with his money strip. His dam has been a good producing black baldy female herself with lots of milk.

**Homo Polled, Hetero Black.**

A good moderate framed mad Kill Switch son. He's your typical Kill Switch son, wide topped, big middled, sound structured, big nutted and a herd bull look to him. His dam is a good moderate framed Lawful daughter with a perfect udder and comes from one of our strongest cow families.

**SIRE** Wheatland Kill Switch

**Homo Polled, Hetero Black.**

A bigger framed bull here. He's wide topped, big hipped. long as a freight train and sound structured. If you are looking for a sire to add frame size and pay weight to his calf crop 59M will do that and more. His dam 17J is a broody sound feminine female herself, with a picture-perfect udder under her.

**Homo Polled, Hetero Black.**

A real stylish clean made half blood. He's real deep-sided, wide over the top, big hipped, and moves well. We are very happy with the halfblood males and females now that we have a few years of them in production now to. They come small up suck and grow. 21M dam is a solid red Betts daughter that did an awesome job on this guy.

**Homo Polled, Hetero Black.**  
A real moderate framed attractive half blood. Deep ribbed, wide topped, sound structured, big nuttred and moves well. His dam is a good moderate framed Betts x Kill Switch daughter with a perfect udder.

**Homo Polled, Hetero Black.**  
A good moderate framed hairy half blood. Strong topped, big middled, long bodied, and good nuttred, with a nice birth weight. His dam is a good solid black Reddington daughter that did a good job on this guy.

This Baldie has been a standout from birth. The muscling on this bull is just right, he has a thick top that transitions into the great shape in his hind quarter. I love it when performance bulls can get out and move, and he sure does that. Look for this bull to tip the scales in a flashy way. Out of Elegant N Classy, a Bright N Classy daughter that we think can do some great things around here. We love the udders, presence, and shape the Classy cow family represents and think you will too.

**Homo Polled. Hetero Black. ET.**

It doesn't get any closer to how I would draw up a bull than this. Stacked with maternal power on both sides this long, smooth, soggy, big footed bull has that "stop and stare" presence you only hope your top herd sire prospects get. Its hard to let the good ones go, but we are extremely excited to see what he is going to do in your herd! Sells with 10 Straws of Semen ready to go.

**DAM** Jetstream Elegant N Classy 55E

**Homo Polled. Homo Black. ET.**  
 This Baldy is out of Memphis Reigns 76J who has been a consistent producer since we purchased him from McMillan Ranching. His son was their top selling black bull last year to Kline Simmental Ranch in Hurdsfield, ND. 76J's progeny consistently produce the top line and shape everyone appreciates. Look for him to produce the type of cattle that work in the commercial industry.

**DAM** Jetstream Elegant N Classy 55E

**Homo Polled. Homo Black.**  
 The natural calf off our Jetstream Elegant N Classy Donor whose perfect udder and maternal instincts have helped this bull close the gap to his pen mates despite his February 25 birthday. This bull is friendlier than a front porch neighbour in a rocking chair in Mayberry. He boasts the shape and growth that make MRL Memphis Reigns 76J offspring so popular.

**Homo Polled. Homo Black. ET.**  
 A baldie with some fancy socks. If you're like me and love baldies this bull should give you that extra chance to make it happen. This Countertime and Bright N Classy son is another heifer option. This bull is one of the larger framed bulls in the pen and we think he has a pretty cool look to him. Another bull with a great set of EPD's ranking in the top 10% of API and top 10% of TI, adding performance and longevity to your herd!

**Homo Polled. Homo Black. ET.**  
 This Supercharged and Classy son is thick and he is hairy, if you're in the business of selling steers this is a combination that will provide great carcass traits and show ring success if you so desire.

Here are a pair of high performing, long bodied sons of the 2021 Agribition champion DDM Maximus. This will be your last chance to get a direct son out of the MAR Final Kahuna cow that has produced many great ones like the very popular Gennex sire MAR Innovation. If you're looking to add some frame, length, hair and performance without sacrificing any muscle and power, these two guys would be a great option.

Here's a pair of low birth weight, calving ease bulls off my walking bull acquired from Wheatland. They are smooth made bulls with lots of hair and structural correctness that don't give up much performance for being a bit younger than the other bulls. Renovation and Natural Law on the bottom sides will add lots of maternal to the mix.

The \$210,000 record setting bull from the Wheatland Cattle Co. bull sale. Kill Switch has the presence that commands your attention as a true great herd bull must. He is passing on his presence, eye appeal and structural correctness. As you can see by his sons and grandsons selling, they are optimal in frame score, super hairy and packed full of red meat. Kill Switch is one of those rare bulls who is not only breeding top sons but his daughters are also the highlight of our replacement pen. Don't miss your only opportunity to purchase semen this year on this outstanding breeding bull!

**Lot 21** Kill Switch Son

# TERMS & CONDITIONS

## TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## BIDDING

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

## ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

## BREEDER'S GUARANTEE

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

## EXCEPTION GUARANTEE

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

## CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

## IN-HERD SEMEN

The South Sask consignors reserve the right to collect semen on any bull sold through this sale. The semen collection will be at the South Sask consignor's expense and the buyer's convenience. Any semen collected will be for South Sask consignors in herd use only.

## LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## RIGHTS & OBLIGATIONS

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

## PHONE, MAIL & WIRE BIDS

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## DELIVERY

We will assist in arranging transportation wherever possible. Bulls will be delivered by April 30th unless prior arrangements have been made. Delivery will be at buyer's risk and seller's convenience. Each animal becomes the risk of the purchaser as soon as sold. \$100 rebate on bulls taken home sale day. Bull must be insured by buyer.

## INSURANCE

Will be available sale day. All bulls returning back to consignor's farms must be fully insured. We strongly recommend that insurance is purchased for full value.

## ERRORS

All announcements at sale time, written or oral, supercede any written material in the catalogue.
