

7TH ANNUAL

*Harvest*  
CLASSIC

TUESDAY, NOVEMBER 19, 2019 *Sale*

JOHNSTONE AUCTION MARKET MOOSE JAW, SK

1:00 PM

# *from the desk at T Bar...*

Welcome to the Harvest Classic Sale, one of the early Angus sales in western Canada. This great event was started and continues to be led by Glen Gabel. Glen has had an extremely trying past 18 months that none of us could ever comprehend. However, Glen is back on his own two feet and is excited about the future of his program and the Angus breed. His son Devon has joined the ownership group at Glen Gabel Angus and has become an integral part of the operation but maybe not quite as important as his young daughter in grandpa Glen's eyes.

Glen has invited his friends and fellow respected Angus breeders from around the area to join him in this production sale. This truly is a showcase of the top of each of programs involved. Many of the consignors only consign to this sale each year, bringing their top genetics for your appraisal.

Cattle from this sale have been sold right across the country in past years and every buyer has felt they received exceptional value for the money spent. It is very rewarding to tour around and see bulls in people's sales and heifers in the keeper pen, resulting from past Harvest Classic purchases.

This year's sale will also include the Estate of Cliff and Kathie Folk dispersal. Their herd was managed alongside the Hi Low program, which has produced many top bulls through the Triple A Sale and females through the most elite sales in the area over the years. The cows involved in their dispersal are hardworking, honest cows that can get the job done all on their own.

Please join us for lunch on sale day and view the cattle in person. If you are unable to attend or need any assistance, do not hesitate to call any of our professional team.

Hi Low Buxom Ann 40F is a broody, deep bodied heifer. The South Dakota females here have been excellent. A paternal sister was an easy favorite in a package of open heifers purchased by Lisa and Mike Koshel. Our Buxom Ann cow family originated from Danny Warrilow. Minburn Buxom Ann 101L was a no miss cow with 12 productive years. Exposure is to a 71 lb. birth weight, proven calving ease sire I bought from Geoff and Lacy Anderson.

**Pasture exposed to Anderson Reflection 6106 from May 26 to August 23, 2019. Preg checked 80 – 90 days on September 15.**

I was fortunate to acquire a group of females from Sharon Wagner in the spring of 2018. These next five heifers came at the side of their mama's and are a great example of the depth of quality of Sharon's breeding program. A bit of an outcross pedigree on this female. The sire, Fortunate, was one of the top bulls to sell for the reputable McCumber Angus Ranch of North Dakota in the 2016 bull sale. This heifer is moderate framed, easy fleshing, the right kind. Preg checks for an early Aviator calf.

**AI bred to Musgrave Aviator 2545 on March 31, 2019. Pasture exposed to CCCJ Freestyle 16B from May 20 to September 6, 2019. Preg check favorable to AI date.**

One of the first daughters to sell off of our herd sire, Knight Shade. He has an outstanding set of calves on the ground this year and I am excited about the impact he will have on my program for years to come. This heifer has the extreme length of body that is characteristic of the Knight Shade progeny. 93F is clean in her lines and extremely feminine in her make-up.

**AI bred to Musgrave Stunner 316 on May 9, 2019. Pasture exposed to CCCJ Freestyle 16B from May 20 to September 6, 2019. Preg check favorable to AI date.**

This BR Midland daughter has cow written all over her. Midland was the \$220,000 high seller at the 2002 Midland Bull Test. With over 13,000 progeny, Midland offers tremendous predictability on the paternal side of this pedigree, combine that with the massive Rito 9969 on the maternal side and you have a pedigree with some real proven performance. Carries a service to the calving ease sire, Stunner.

This is a rare opportunity to purchase an own daughter of Titlst. With semen no longer available, there will be few chances in the future to cash in on these genetics. The bottom side of this pedigree traces back to one of my original cows, 179W. This is a real solid investment, with proven genetics on both sides of the pedigree.

RAVE 20G is a fancy heifer calf that brings a lot of eye appeal. This female is feminine and angular while maintaining excellent muscle shape. Long bodied and correct in her makeup, 20G is a real sweetheart. Her dam is a moderate, first calving, Brilliance daughter that has shown us how she can perform. Her sire is a Lotto son that produces very attractive, well-muscled and great structured progeny.

DRAW 45G is an exceptional female. She combines length, style and substance in a very attractive package. Our Atalanta cow line has been very strong. A no nonsense group who have produced the high selling black heifer to Lock Farms at Touch of Class in 2017. The sire, Four Bar X Alaskan 264E, came to us sight unseen and is exactly what we expected. We have always admired the Alaskan line and its functionality. This is a front end female and will work well in any herd.

After much thinking, we decided to put another wicked good heifer out of Titan, a bull that needs no introduction after winning the RBC Beef Supreme as a yearling. This female has all the attributes to go on and do great things. She really puts it all together from the style with great neck extension to having that great rib shape and body mass that adds up to making a great female and producing them as well.

Here is a female one can be proud of. 892F is a flush calf out of our great Hall's Rosebud 212Z, making her a full sister to Hall's International 54F, that we showed last fall and was Reserve Division Champion Bull Calf at CWA, then sold to Harvest Angus in BC for \$10,000. This female has it going on! She's got the great easy going mass and power that you look for, just like her mother. This is a female that will go and make her mark, hit the donor pen and shine bright like a diamond that she is.

**Naturally bred on May 5, 2019 to Northline CoolCat 76B, then pasture exposed to him from May 20 to July 15, 2019.**

A well put together heifer from a great cow family and a calving ease sire.

**AI bred to Final Answer 035 on April 12, 2019. Pasture exposed to Shady Creek Final Bandit 385E from April 30 to May 24, 2019. Then pasture exposed to Shady Creek Final Design 338E and Shady Creek Titlest Fnal Answr from May 24 to September 1, 2019.**

## Complete Herd Dispersal of Kathie and Cliff Folk

For the past 15 years, my sister, Kathie and her husband Cliff have been building a small herd of cows as an affiliated herd under the Hi Low prefix.

Hi Low Angus was started by our parents, Robert and Marg Howell in 1980. If you were to ask what is the most significant trait of Robert's herd and their influence today? The answer would be longevity. Disposition and structural soundness were definitely bred into his cows in order for them to produce an above average number of years. The Pride and Lady McHenry cow families were purchased from Belmoral Angus in 1980. Soon after, the Heather family from Rolling Stock Farm was introduced, as was the Lady Ann cow family which traces back to Early Sunset Ranch. These cow families are predominant in the offering.

Kathie's passion for Angus cattle and her knowledge of pedigrees and EPDs was amazing. Cliff would often joke on Kathie's stash of catalogues she tucked away in their semi. After retiring, they purchased a semi and travelled a large part of North America hauling heavy equipment. Their home stops always included visits to the farm and if possible, attending an Angus sale.

In 2014, Kathie's illness forced them to park the truck. Cliff spent many hours helping at the farm. Kathie spent more time with her cattle. Unfortunately, only two years after Kathie's passing, Cliff lost his own short battle with cancer. On behalf of the estate of Cliff Folk I have been asked to disperse the cattle.

If you have any questions or would like to view the cattle please give me a call. I would be happy to assist.

REGARDS,

DAN HOWELL

# Terms & Conditions

## TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## HEALTH:

All animals in the sale have met all necessary health requirements.

## GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

## LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## DELIVERY:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

## PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## INSURANCE:

We strongly recommend that insurance is purchased for full value.

## ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

**The Canadian Angus Rancher Endorsed program is demanded in every segment ...**  
*Where do you fit?*

**Proud to be the largest tag program in the world**

**Producers tag their calves ANGUS**

**Ranchers purchase registered Angus bulls**

**Feedlots need Angus tagged cattle**

**Consumers choose Angus beef**

**Branded programs supply Canadian Angus Rancher Endorsed beef**
