

8th Annual

Prairie All-Breeds Ram Sale

Registered & Commercial Rams of Several Breeds, plus Pens of 5 Ewe lambs

Saturday, September 7, 2019 1:00 PM CST

Moose Jaw SK at

7km west of Moose Jaw SK on #1 Highway

This is the 8th PABRS event sponsored by the Earl Grey and Area Sheep Producers Group who have contracted Johnstone Auction Mart to conduct this auction.

Terms & Conditions

- All purchases must be paid for the day of the auction and no sheep will be released until full settlement has been made. Payment terms are Cash, Debit, Visa, MasterCard, or Cheque with proper identification. If paying by Credit Card (MC or Visa only) there will be a 3% administration fee added to the total price. If paying by Debit Card make sure your purchase limit is high enough per day to cover your purchases.
- All announcements from the auction block take precedence over information in this catalogue - please give them your careful attention! The auctioneer will settle any bidding disputes such as two people claim the same bid, etc., and his decision will be final.
- Unless otherwise noted or announced, registered sheep will have the registration papers transferred to the buyer at the seller's cost. Please tell office staff in which name you want the papers registered (personal / farm / other). Breeding Guarantee: Registered sheep will be in accordance with the CSBA, SSBA, and SKSA guarantees. Commercial sheep may be guaranteed at the discretion of the seller, which will be announced from the auction block.
- Johnstone Auction Mart Ltd. is acting as an agent only and represents the sheep as represented to us by the seller, and is not responsible for errors or omissions in the catalogue. Any claims, legal or otherwise, are between buyer and seller only; and Johnstone Auction Mart Ltd. is not liable for any misrepresentation.
Further: The buyer is responsible to examine the sheep and satisfy him/herself as to its qualities before he/she bids - if you buy without checking the sheep out, then you still own the sheep - bidding indicates you have satisfied yourself as to all aspects of the sheep and no one else is responsible. Unless announced otherwise, rams have not been semen tested, and ewes selling 'open' or 'exposed' have not been confirmed by pregnancy check.
- Title of animal & risk of loss passes to the buyer when the animal is declared 'sold' by the auctioneer.
- All persons attending the auction do so at their own risk. Any livestock can be unpredictable and in some cases dangerous. Neither Johnstone Auction Mart Ltd., nor auction staff, nor any sellers assume any liability, legal or otherwise, for any accidents that may occur. Attend at your own risk.

Babydoll Southdown

Registered

Babydoll Southdown are small framed sheep with short legs. They are polled and are known for their docile temperaments. Babydoll rams have proven themselves in commercial flocks. When bred to larger crossbred ewes they produce lambs that have incredible vigor at birth and are fast growing feed efficient market lambs.

Corriedale

Registered

Corriedale rams are dual purpose breed including meat and wool quality. They will put length on your lambs giving you more pounds per lamb. Ewes are very docile with excellent mothering ability. These rams were done with Glan Vac on Oct 7/18 and will be done again before the sale. They were done with Vet O Lice Apr 14/19 and again on May 4/19. They were dewormed with Valbazen Jun 17/19 and Jul 28/19.
