## Terms & Conditions

- All purchases must be paid for the day of the auction and bulls will not be released until full settlement is made. Payment can be made with Cash, Cheque (with sufficient identification), Debit (make sure your limit is high enough!), or Visa/Mastercard (3% admin fee charged - check your limit!)
- All bulls are guaranteed by the consignors under the rules & regulations as set by the respective breed associations. Johnstone Auction Mart is acting as an agent only, and any warranties are to be settled between buyer and seller. An insurance agent will be on site to insure your bulls.
- All announcements from the auction block and printed day sheets take precedence over information in this catalogue, please give them your careful attention.
- The auctioneer will settle any disputes between two people claiming the same bid.
- Registration papers will be transferred to the buyer at the seller's expense. When you make settlement, please tell office staff which name you want the papers transferred to.
- Phone or confidential proxy bids can be arranged with any of the sale staff by May 25
- Delivery: There is no delivery policy at this sale, so please arrange to haul your bulls on your own unless you **pre-arrange** delivery with the consignor who's bull you plan on buying.
