

Last Chance Entry Form

Last Chance All-Breeds Registered Bull Sale

Tuesday, May 30, 2023

Entry Fee: \$75.00 Per Bull – no animals are considered entered until payment is received

Selling commission is 5% of selling price, plus \$25.00 per head internet broadcasting (DLMS.ca)

Closing Date for Entries: Friday, April 14, 2023

1. Only Registered 2-yr old and yearling bulls born after January 1, 2021 are accepted – NO UN-REGISTERED BULLS
2. All bulls should be in the sale yard by 3:00 PM the day before the sale.
3. Tattoos or Registration #s or copies of registration papers must be enclosed with this entry. We will take registration information & EPDs from your breed website. Original papers/transfers must be here upon arrival. No payouts will be made until all papers and transfers are in order. Substitutes are allowed—all information on the substitutes must be handed into the office by 5:00PM the day before the sale. Hartford ‘valuable’ insurance rates will be applied to all bulls (\$0.30 per \$100 of value) covering bulls in transit to Johnstone Auction Mart, and until they are loaded onto the buyer’s trailer (max \$7500).
4. If you have videos, put them on youtube.com and send us the link, then we will put the link online.
5. Sale management reserves the right to limit entries and adjust the breed selling order to best suit bull market conditions. Consignor order within the breeds in the catalogue is determined on a rotating basis.
6. All bulls must be semen tested. Vet certificates must be provided with the registration papers when you arrive. We will accept semen tests dated since January 1, 2023; however, some buyers and insurance companies require them to be done within 30 days before the sale — bulls not tested in that 30-day window may deter some buyers from bidding.
7. All bulls must have a tattoo matching the registration paper, and all bulls must have a CCIA tag.
8. There will be no refund for withdrawing entered bulls once catalogue formatting has begun.
9. Performance Data:
 - Include your actual or adjusted performance data for BW, WW, YW at no extra cost. We will get EPDs from the breed websites.
 - Footnotes are \$10 each up to 40 words
 - Pictures are \$15 each—colour when online, B&W in print – use good pictures! (poor pictures are worse than no pictures)
10. The catalogue will be available on-line by early May, and each seller will be mailed 1 catalogue. We will email you when a catalogue proof is online for you to check for typos, then it will go to print approximately 3 days later.
11. Payouts will not be available for at least 2 hours after the sale, or can be picked up Wednesday / Thursday, or mailed Friday.
