Saturday, September 4th, 2021 @ 1:00 PM

1. The sale will be open to all breeds and ages of rams - as well as 2 pens of 5 ewe lambs per consignor - both purebred and commercial. The rams should be of sufficient size to meet the minimum size requirements for the various breed standards (typically 100 pounds). Also PABRS reserves the right to limit numbers of entries.
2. Entries close August 10, 2021. Entry fees must accompany the entry form. Submit entry form and fees together with copies of registration certificates Johnstone Auction Mart Ltd.
Late entries may be considered by discretion of the PABRS committee.
3. Arrivals: Sheep may arrive between 9 AM and 5 PM, Friday, Sep. 3rd, and from 8:00 AM to 9:30 AM, Saturday, Sept. 4, 2021. Late arrivals may be excluded from the sale and forfeit their entry fee. Please call the Auction Mart ahead to confirm your arrival. Hay will be available for purchase.
4. Signed transfers for purebred sheep must be handed in to the office upon arrival. All animals require CSIP tags. A \$10.00 fee per ram to handle and manage the registration transfer will be deducted from cheque.
5. Culling: All animals will be subject to inspection by the PABRS culling committee. Any animal that is culled by the culling committee is to be removed from the barn immediately. Consignors must be available to help sort their sheep and answer questions. Animals will be checked for soundness, abscesses, pink eye, entropion, keds, poor testicles, unsound mouths, or poor condition and any other conditions that compromise the health/soundness of the animal.
6. Substitutions are allowed to a maximum of 2 per consignor. Substitutions will not be listed in the sale catalogue. Sale Commission is 5%. The minimum commission will be \$25 (twenty-five dollars) per head. The same commission applies to all passed animals which don't meet the reserve price.
7. Sale order: purebred rams, commercial rams, purebred ewe lambs, commercial ewe lambs. Purebred rams will be sold on a rotating basis by breed and by age. Commercial rams will be sold by age only. In the event one seller has many entries in one category, we reserve the right to limit the quantity and order of sale to allow all sellers an equal opportunity to sell their stock. Within a given category, sale order will be by date of receipt of entry form and fee.
8. Breeding guarantee: All consignors will adhere to a standard breeding guarantee as follows: Purebreds will be in accordance with the CSBA, SSBA and SKSA guarantee. Example: One full year for all types except ewe lambs, which will have two years with notification. Replacement of same type if available or refund is at the discretion of the buyer. Commercial animal guarantees will be at the discretion of the seller and may be noted in the sale catalogue.
9. Waiver: The PABRS and Johnstone Auction Mart, including but not limited to all committee members, volunteers, and/or employees accept no liability for accidents or guarantees, stated or implied, that may occur. Any claims, legal or otherwise as to the suitability of the rams or ewes are between the seller and the purchaser. Such incidents are very rare, so all that attend must do so at their own risk.
10. We expect that all sellers have their worming and vaccinations up to date. Due to the time of year, wool sheep must be sheared within the calendar year (with the exception of lambs), but no later than one month before the sale. Trimming and washing will be optional. No haltering is allowed in the sales ring.
